The annual boat race is the most popular feature of the University commencement. The town turns out en masse, and many people from the county always attend. This year was no exception. Music was furnished the waiting crowd by the Military Institute band. Blue and red colors were much in evidence, and about equally matched. From the time the two boats pulled out from the boat-house until they came in sight again on the race course, speculation ran high as to which side would win.

The Harry Lees won by three boat lengths. Time, 4:45.

The tub and swimming races were won by S. B. M. Ghiselin.

## SCALY ECZEMA ALL OVER BODY

Eruptions Appeared on Chest, and Face and Neck Were All Broken Out - Scales and Crusts Formed lowa Lady Has Great Faith In Cuticura Remedies for Skin Diseases.

#### ANOTHER WONDERFUL **CURE BY CUTICURA**

"I had an eruption appear on my chest and body and extend upwards and downwards, so that my neck and face were all broken out; also my arms and the lower limbs as far as the knees. I at first thought it was prickly heat. But soon scales or crusts formed where the breaking out was. Instead of going to a physician, I purchased a complete treatment of the Cuticura Remedies, in which I had great faith, and all was satisfactory. A year or two later the cruption appeared again, only a little lower; but before it had time to spread I procured another supply of the Cuticura Remedies, and continued their use until the cure was complete. It is now five years since the last attack, and have not seen any signs of a return. I have taken about three bottles of the Cuticura Resolvent, and do not know how much of the Soap or Ointment, as I always keep them with me; probably one half dozen of each.

"I decided to give the Cuticura Remedies a trial after I had seen the results of their treatment of eczems on an infant belonging to one of our neighbors. The parent took the child to the nearest physician, but his treatment did no good. So they procured the Cuticura Remedies and cured her with them. When they began using Cuticura Remedies her face was terribly disfigured with sores, but she was entirely cured, for I saw the same child at the age of five years, and her mother told me the eczema had never broken out since. I have more faith in Cuticura Remedies for skin diseases than anything I know of. I am, respectfully yours, Emma E. Wilson, Liscomb, Iowa, Oct. 1, 1906."

Would Have Recourse to Law.

(Special to The Times-Dispatch.)

EUREKIA MILLS, VA., June 18.—Sunday morning an Italian, who is employed on the Tidewater Railway construction near this point, strolled out in quest of something to eat. Coming to a cherry tree laden with luscious fruit, the temptation was greater than he could stand, and forthwith the aforesaid Italian proceeded to climb the tree and sample the plump, red cherries.

Just at this stage in the proceedings the owner of the cherries spied the happy Italian perched upon a limb appropriating his cherries. A load of gunshot sent from the gun of the owner of the cherries brought the Italian to the ground faster than he left it. The result is, the Italian has a sore nose and shoulder from shot which lodged in these parts of his anatomy.

The Italians are indignant, and speak of recourse to the law.

Spotsylvania, Except

(From Our Regular Correspondent.) WASHINGTON, D. C., June 18.—Repre-sentative William A. Jones was very to-day on his renomination to Congress

from the First Virginia District in the primary election Saturday. Many Republican members of the House extended their congratulations, and one of the first of those who expressed pleasure at the victory of the Virginia Representative was Secretary Taft, who was at the Capitol on business.

Mr. Jones has not yet heard from all the precincts, but he believes his majority over Mr. Mears will be somewhere between 1,500 and 2,000. It seems now that Mr. Jones has carried Accomac, although the two precincts yet to hearfrom may change the result. Withethese two out of the count, Mr. Jones carried the county by a majority of one. Mr. Mears oarried Northampton, his home county, almost soildly, somewhat to the surprise of Mr. Jones's friends, who, without underestimating the popularity of Mr. Mears, expected the Representative to get a larger vote there than he received.

Mr. Jones and his family expect to return to their home, in Richmond county, about the middle of the present week. Mr. Jones will return here during the session.

Mr. Jones will return here during the session.

The nomination of Mr. Jones leaves only Mr. Maynard of the Virginia delegation with a fight on his hands for repomination. Representative Slemp will be nominated with practical unanimity at the convention of Ninth District Republicans to-morrow. The Democrats have not named a man in the Ninth.

The Republicans will have candidates in several of the districts, but will make a real fight in none but the Fifth, outside the Ninth. Democrats believe that Judge Saunders will certainly be chosen to succeed Mr. Swanson, and are congratulating themselves upon the accession of such an able man to the delegation.
